

### **Dermot Corry**

FSAI, MSC (MGMT)  
Principal, Consulting Actuary

#### **CURRENT RESPONSIBILITY**

Dermot is a principal and a consulting actuary with the Dublin office of Milliman, which was formerly Life Strategies Limited. He joined Life Strategies in 2002. He is also Milliman's global practice director for Life and Financial Services.

#### **EXPERIENCE**

Dermot's experience covers a wide range of life assurance and related activities - discharging the appointed actuary and head of actuarial function role for a number of companies, financial reporting, product development and new company start-ups. Dermot has advised many companies on their Solvency II needs and on their wider risk management requirements. He is currently advising many companies on optimising their capital structures now that Solvency II has been implemented. He has also advised a number of companies on mergers and acquisitions. He is a past president of the Society of Actuaries in Ireland.

Prior to joining Milliman, Dermot spent 20 years with the Irish Life group. His roles for the group included a wide range of areas covering marketing, finance, business development and operations in both Ireland and the United States.

#### **PROFESSIONAL DESIGNATIONS**

Fellow, Society of Actuaries, Ireland

#### **EDUCATION**

MSc (Mgmt.), Business Administration, Trinity College, Dublin
