

# MATTHEW FORD

Principal and Consulting Actuary

matthew.ford@milliman.com

## Current Responsibility

Matthew Ford is a principal in Milliman's London Life Practice.

## Professional Work Experience

Matthew joined Milliman in 2022, and brings over 30 years of experience working in consulting and corporate roles. In particular, his skills cover capital modelling and management, asset liability management and investment, bulk purchase annuities and with-profits business. At Milliman, he has led engagements, including investment and liquidity matters for bulk annuity writers and carried out an extended secondment directly supporting the Group Chief Actuary of a FTSE 100 insurer. Prior to Milliman, his corporate roles included Commercial Finance Director for Annuities and Legacy Business and Actuarial Director, both within major UK life firms.

## Professional Designations

Fellow of Institute and Faculty of Actuaries

## Education

MA. Mathematics, University of Cambridge
