

# GEORGE HARDING

AIA

Associate Consultant

george.harding@milliman.com

+353 1 647 5536

## Current Responsibility

George Harding is an actuarial manager in Milliman's Dublin office. He joined the company in 2021.

## Professional Work Experience

George's experience is primarily in the life assurance field, in both the Irish domestic and cross-border life assurance markets. He has worked on a number of portfolios, including unit-linked business and non-linked business.

His expertise includes valuation and financial reporting for Solvency II and non-Solvency II basis, maintaining and validating actuarial modelling systems, and other consulting work.

George has extensive actuarial modelling experience. He has been involved in the development, ongoing maintenance and validation of actuarial models in MS Excel, Python, Prophet and Milliman Mind.

As part of an outsourced actuarial team, George has been involved in several projects including data validation and actuarial model developments to improve efficiency during quarterly valuation periods.

He is also keeping up to date on developments in the areas of actuarial modelling, regulatory reporting requirements, generative AI and innovation in insurance.

## Professional Designations

Associate, Institute and Faculty of Actuaries (AIA)

## Education

Bachelor of Actuarial and Financial Studies (BAFS), University College Dublin
