## Current Responsibility

Freek Zandbergen is a consultant in the Amsterdam office of Milliman.

## Professional Work Experience

Freek joined Milliman in 2020 and has over 17 years of experience in the insurance industry.

Prior joining Milliman, Freek worked with NN Group between 2015 and 2020 in different risk functions, amongst others as the head of ALM & Hedging. Prior to that, he worked at Aegon NL between 2006 and 2015, in several roles in the capital management and risk departments on topics like ALM, investment management, interest rate risk management, Internal Model development, risk monitoring, and product pricing.

## Education

- MSc, Quantitative Finance, Erasmus Universiteit Rotterdam
- BSc, Econometrics and Operational Research, Erasmus Universiteit Rotterdam

## Affiliations

Freek is an active member of the Dutch CFA ALM Committee.
